

Service Provider Membership

JOIN HDA AND STRENGTHEN YOUR ALLIANCES, SUPPORT INDUSTRY ADVOCACY AND MAKE CONNECTIONS WITH THE LEADERS IN THE HEALTHCARE INDUSTRY.

HDA service provider member companies include any individual or business entity engaged in providing services to distributors and manufacturers related to the business of healthcare, beauty care or consumer products — and otherwise ineligible for active, international or associate membership. This type of membership is designed for companies seeking to build close business relationships with wholesale distributors and manufacturers, while sharing their expertise with the industry.

Service provider member benefits include:

- Opportunities to network one on one with business partners at HDA's member-exclusive Business and Leadership Conference and other events;
- Significant discounts to exhibit at the Distribution Management Conference and Expo and select educational seminars as well as the flexibility to attend without exhibiting;
- Opportunities to generate new ideas to help optimize efficiencies in the healthcare supply chain through work groups and advisory groups;
- The chance to strengthen your alliances and enhance your company visibility through advertisements and sponsorship opportunities;
- Listing in and access to the HDA online membership directory and service provider directory;
- Complimentary copies of key HDA documents and reports addressing such issues as product returns and recalls, bar coding, EDI and more;
- Access to electronic mailings such as the *HDA Weekly Digest* to keep you informed of new programs, industry issues and trends and other government activities;
- Downloadable webinars on timely topics at no additional charge;
- Participation in the Convene professional development program, which includes mentoring opportunities, the Emerging Leaders program, industry-wide employee resource groups and the Karen J. Ribler Scholarship program;
- Member discounts on job postings in the HDA Career Center; and,
- Access to the Pharmaceutical Cargo Security Coalition, providing advanced supply chain security intelligence, vital industry, government and vendor contacts, physical and supply chain security assessments, a reference library of supply chain security publications and opportunities to attend security-focused education.
